Corona Guidelines

Kündig Nahrungsmittel GmbH & Co KG, Deutschland

We would like to inform you that, due to the unforeseeable consequences of the COVID-19 crisis triggered by the SARS-CoV 2 pathogen (Corona Pandemic), we can only enter into contractual obligations to a limited extent, in deviation from our General Terms and Conditions.

The parties are aware that this agreement is concluded at a time when a force majeure event has already occurred, i.e. the Corona Pandemic, and there is a risk that it will spread further.

If there is a delay in the provision of our services as a result of the Corona Pandemic and/or as a result of further official measures taken in response to the Corona Pandemic, the agreed delivery period shall be extended accordingly.

If the Corona Pandemic and/or further official measures taken in response to the Corona Pandemic fully or completely limit or prevent the performance of our services, and such non-performance is not of merely temporary nature (e.g. an import ban and/or import restriction, a seizure/confiscation of goods by government authorities/officials, an introduction of short-time work for business reasons and/or officially ordered full or partial closure of our plants), we shall have the right to withdraw from the agreement in full or in part.

The provisions of the preceding sections shall also apply expressly if a delay is due to incorrect, incomplete and late delivery by our suppliers (including the required raw and auxiliary materials) due to the Corona Pandemic and/or as a result of further official measures.

The parties' claims, in particular claims for damages, are precluded in the above-mentioned cases, and payments made without consideration are to be reimbursed. Remuneration shall be paid for partially performed services.

We regret having to introduce these special terms and conditions. We will continue to do our best to maintain our capability to perform deliveries at the level of quality and safety you are accustomed to. However, at this difficult time, we need to take precautions to safeguard the interests of our company and employees.
