

# Cereals, Seeds

**BAKING SEEDS** Baking seeds are used not only in the production of bakery products. The kernels or seeds are also used in cereals and are popular as snacks. Kündig offers a wide range of baking seeds for which we can always guarantee the best quality thanks to our close contact to the producers.

## Product Information

Property: *Direct consumption / mixes*  
Packing: *Bags*

**CEREALS** The grain trade has been one of the core competences of Kündig for almost 100 years. In addition to classic varieties such as barley, oats and wheat, we also offer more traditional varieties such as spelt and emmer wheat, as well as more recent hybrid varieties. Our range also includes specialties like hard durum wheat and khorosan wheat.

## Product Information

Property: *Food- / fodder industry*
